### Overview of the Integrated Development Plan (IDP) and Budget Process Planning

Ward Councillors, Proportional Representative Councillors, Community Development Workers' (CDW) and Ward Committee Members will play a crucial role in convening community meetings and communicating with the community about various municipal governance issues. In general, the Public Participation Process in all wards within the municipality depends largely on the involvement of the community and other stakeholders. The schedule for community engagement meetings on the IDP and Budget Review is depicted in table below.

| Ward                           | Proposed Date     | Time  | Venue                           | Resource Person   |
